HOW MANY WAYS ARE THERE TO HEAVEN?

Each religion seems to have its own way, or lots of them to get there, but they don't agree with each other and therefore cannot all be true. Some say there is one God, some say there are many gods, and some say there is no God. How can they all be right? Is there a way to heaven?

Yes, there is. Can we know what it is? **Yes, we can.** Jesus said, "I am the Way, the Truth, and the Life: no man cometh unto the Father, but by me" (John 14:6). This bold statement leaves no room for any other ways to God. That's why we have to take what Jesus said very seriously. Jesus said in John 3:3 "Except a man be born again, he cannot see the kingdom of

God". Religion is not the answer.

There is a larger problem that must be dealt with. That problem is sin. Sin is like a wall that separates us from God. Sin has made us spiritually dead (Ephesians 2:1), and it separates us from God.

Jesus, the Son of God, came to earth to provide the way by which you and I could be "born again"— (given spiritual life and a personal relationship with God). Salvation is a "free gift" It is a gift that was purchased at great cost to the Lord Jesus, who laid down His life as a payment for our sin. There, at the cross of Calvary, He "bare our sins in His own body on the tree" (1 Peter 2:24). Then, on the third day, He rose victoriously from the grave.
